

Sequoia Union High School District

The Compass Program

CARLMONT

SEQUOIA

MENLO-ATHERTON

WOODSIDE

**For incoming 9th graders
June 23rd (Tuesday) through
July 16th
Mondays – Fridays
8:00 a.m. – 1:20 p.m.**

The Compass Program is designed for students who are scoring below grade level in English or Math. Join us for a special one-month opportunity for incoming 9th graders. Get a head start on high school, have fun, meet new friends.

While the main emphasis is on providing strong support for academics, students will participate in electives, contests, games, and other activities. Transportation from East Palo Alto to Carlmont, Sequoia and Woodside will be provided. The program promotes a smooth transition from 8th grade to high school. Students will also receive intensive follow-up throughout the regular academic year. Students who complete the Compass Summer Program will be better academically prepared to start high school in August and will receive 5 credits towards high school graduation.

For more information, call (650) 369-1411 ext. 6278.
