Getting Started

Using Aesop Successfully

Note: This guide covers most of the functions that are available to employees in Aesop. These functions are permission based. If you see something in this guide that you are not able to do, your district may not have given you permission to access this function.

Create absences online or on the phone

Aesop offers both phone and Web services, so that you can create an absence anytime, anywhere. Online absences can be created as far as one year in advance. As soon as you register an absence, Aesop starts finding a qualified, available substitute for you.

Manage your schedule

With Aesop you can track how many absences you have taken and see absences you have already scheduled in the future. You can also track the types of absences you have on record, such as personal or professional development day. Aesop offers an easy way to store all your absence information in one place.

Leave notes and attachments for the substitute

By writing notes or attaching documents to your absence, you can assure that your substitute is prepared to handle your duties during your absence. Aesop lets both the district and the employee leave notes, as well as attach Word documents and PDF's to the absence.

Log on to Aesop

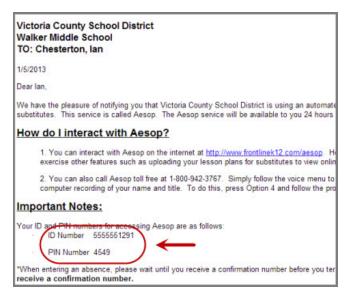

The first step to log on to Aesop is to visit the Aesop website. Put www.FrontlineK12.com/Aesop into your internet browser's address bar and hit the **Enter** button on your keyboard.

This will take you to the Aesop website. At the top right corner of this page you will see the area to login. Use the **ID** (most likely your 10-digit phone number) and **PIN** provided to you by your district. Once you have entered this info into the boxes click the **Login** button.

If you are new to Aesop your district may have provided you with a **Welcome Letter**. Your ID and PIN will be in this letter.

What if I forgot my PIN?

You can click the "Forgot your login" which will open a new page. On this page you can have a PIN reminder sent to your email address.

Web Alerts

Before you are taken to your home page you may first get a pop-up of your Web Alerts. Web Alerts are alerts that have been created by your district for employees to see. They can contain important general information that may be useful to you. Once you have read the alerts you can click the **Dismiss** button to move on. These web alerts can be revisited at any time from the Top Bar.

You can move forward and backward in time on the calendar by using the arrows indicated below.

Clicking on an individual day in the calendar will pop up information about that day. If it is an absence day you will have options (depending on your permission setup) in the pop-up to cancel the absence, view more details, or view attached documents.

Absence Tabs

In the Absence Tabs you can create new absences as well as view upcoming, past, and denied absences. Clicking these tabs will not take you away from the Home Page but will change what you are viewing on the Home Page.

Create Absence - Here you can create a basic absence right from the Home Page.

Scheduled Absences - Under this tab you can view a list of upcoming absences that you have already scheduled. Depending on your permissions you may also be able to cancel an absence from here.

Absence Creation

Note: Absence creation may look slightly different on your website depending on your district's settings

There are many things you can do and see on your Aesop website, but as an employee one of the most important things is the ability to create an absence. We have made it easy for you to do this right from your Home Page.

Basic Absence Creation

To start the absence creation process scroll down to the **Create Absence** tab on the Home Page.

To attach a file click the **Choose File** button and browse your computer for the file you want to attach. If you are using a web browser like Chrome or Safari you may also be able to just drag the file right into the drop area you see in the picture above.

Once you have added a file you will see the name of the file in the File Attachments area. To delete the file use the trash can icon.

Saving the Absence

Once you have filled in all the required fields click the **Create Absence** button at the bottom right corner.

Advanced Mode

There may be times when you need to create an absence that is a little more complicated. For example, you need to use a personal day for day 1 of the absence but an illness day for day 2 of the absence. For situations like this you can use the **Advanced Mode** of absence creation.

To access the Advanced Mode you can click the Absence Tab in the Main Tabs...

Advanced mode is basically the same as the normal absence creation except for one major difference, and that is the ability to add Variations. What is a Variation? Well, let's walk through it.

Let's say you are creating an absence like the one we described above, a different absence reason on each of two days. While in Advanced Mode, fill out the top section like you were creating an absence just for the first day.

Once you have done that click the button **+ Add New Variation**.

This will expand the absence creation area with a new section called "Variation #2". In this new area you would enter the information for the second day of the absence. This allows you to use one absence reason for the first day and a completely different absence reason for the second day.

You can add as many Variations as you want to create the absence the way you need it. Once you have finished adding Variations you can also add notes and attachments. When you are ready to save the absence click the Create Absence button.

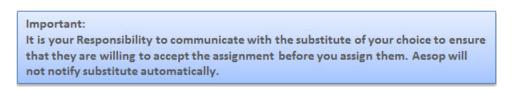

Assigning Substitutes

Some employees will have the ability to assign a sub to their absence when they create it. If you have been given this permission you will see a "Create & Assign Sub" button at the bottom of the Absence Tab.

Assign a Sub During Absence Creation

At the end of the absence creation process you will be given the option to go ahead and assign a sub (see above image).

When you click the **Create & Assign Sub** button a window will open which will allow you to choose the sub to assign. Use the search box to search for subs that are qualified and available to fill your absence. Once you start typing in a last name into the search box, matches will drop down below the box.

If your district is using the absence approval feature in Aesop you will see a **Denied Absences** tab on your home page. Click on this tab to see a list of absence requests that were denied by your approver. The basic details of the absence request will be listed here. Preferred Substitutes

Your district may have given you the ability to select a list of the subs you prefer to fill your absences. Aesop will attempt to contact these subs first when you create an absence.

Create Your Preferred Sub List

The preferred substitutes option will show up under the Account tab.

You can continue to add as many subs as you would like to your list this way. You probably don't want to add every sub in the district though because this would defeat the purpose of picking the ones you prefer. We recommend not picking many more than five.

Don't forget to click the **Save Changes** button any time you want to save the changes you made to your preferred list.

Favorite Five

Once you have added a number of subs to your preference list you can select up to five of them to be your **Favorite Five**. The Favorite Five will get even more of an advantage when attempting to fill your absences. Substitutes that are marked as favorites, and who are considered "qualified and available" at the time the absence is created, will be notified instantly by email when you create an absence that needs a sub. Also, Aesop will begin calling the Favorite Five subs during the next evening calling period up to 120 nights before the absence.

To mark someone as a favorite, simply click the heart icon on their row in the preferred list. If the heart turns red you know you did it correctly.

Once you have marked your favorites you can order them by using the up and down arrows on the left. You can also drag them up or down in the order by clicking the drag icon and dragging them into the position you want them. Ordering your Favorite Five will determine in what order Aesop will attempt to contact them when making calls.

Absence Reason Balances

Your district may be using Aesop to help track your Absence Reason Balances. You will be able to check those balances right here on your Aesop website. To access this information click the **Absence Reason Balances** option under the **Account** tab.

Balances can be calculated in days or hours depending on your district's settings.

Initial - This is the initial number of days or hours given to you for this absence reason. **Used** - The number of days or hours you have used so far.

Pending - The number of days or hours that you have scheduled for upcoming absences. **Balance** - This is your current absence reason balance. You can also see your "Days/Hours after Pending" balance which calculates in your pending time.
