

## **CARLMONT ACADEMIC FOUNDATION**

**Support quality education at Carlmont by donating to CAF!**

With the help of parents like you, CAF funded 14 class periods last year, reducing academic class sizes by 25%! That's 9-10 less students per class!

### **14 class periods added. Academic class sizes dropped by 25%.**

Your much needed contribution to CAF not only helps to maintain smaller class sizes, but also funds creative and enrichment programs, invests in our teachers and provides the additional staff necessary to prepare our Carlmont students for college and career.

### **More class periods funded = more class choices and smaller classes for all students.**

**CAF's suggested donation is \$1,000 per student**, which can be made as a one-time gift or set up in automatic monthly installments of \$85. We hope you will consider joining the Leadership Circle of donors who contribute \$2,500 (\$210/month), or more. Please know that your donation in any amount is greatly appreciated.

### **All spring 2017 donations will be used to keep class sizes smaller next school year.**
