

NOTICE TO BIDDERS

NOTICE IS HEREBY GIVEN that Sequoia Union High School District ("District") will receive sealed bids for the Turf Field project at Menlo-Atherton 555 Middlefield Rd. Atherton, CA 94027 and Sequoia High School 1201 Brewster Ave. Redwood City, CA 94062 prepared by LPA Architects ("Architect").

This is a state funded project Yes No X
(Bidders are advised that state funded projects are subject to certain additional conditions, with respect to prequalification of MEP subcontractors, DVBE requirements, and prevailing wages monitoring through the State Department of Industrial Relations.

1. Time of Opening: Bids will be opened on Thursday May 18, 2017. Bid documents must be sealed, and marked with the project name and bid title. All Bids must be received at the Construction Department located on the 480 James Avenue, Redwood City, CA BEFORE 2:00:00 PM. Bids which are submitted on or after 2:00:00 PM or facsimile bid transmissions will not be accepted.

2. Contractors Requirements:

a. All Bidders must have and maintain a Class B contractor license in order for their bids to be considered responsive. Bidder may bid only on work of a kind for which it is properly licensed by the California Contractors' State License Board. Joint venture Bidders must possess a joint venture license. The Bidder must be licensed at the time of bid and the license must remain current for the duration of the Project. Failure to supply complete license requirement information and signature under penalty of perjury on the bid form may result in the bid being considered non-responsive and rejected.

Pursuant to Senate Bill (SB) 854, all bidders on public works, including any project resulting from this bid project, must register with the California Department of Industrial Relations (DIR) and pay an annual renewal fee to the DIR. Only bidders that have registered with the DIR and that are current in payment of annual renewal fees are eligible to bid as contractors or subcontractors on any project resulting from this bid process. Likewise, only contractors and subcontractors that have registered with the DIR and who are current in payment of their annual renewal fees shall be eligible to perform work under any contracts resulting from this bid process. Pursuant to the California Labor Code, the general prevailing rate of per diem wages and wages for holiday and overtime work shall be paid to all workers employed by the contractor selected for this project. Copies of prevailing rates of per diem wages are available at www.dir.ca.gov. The Department of Industrial Relations/ Labor Commissioner will monitor and enforce compliance with applicable prevailing wage requirements on this project and enforce compliance with applicable prevailing wage requirements in accordance with the California Labor Code, including sections 1771, 1774, 1776, 1777.5, 1813, and 1815. Contractors on any project resulting from this bid process will be required to submit certified payroll records in electronic format to the California Labor Commissioner unless excused by the Labor Commissioner from this requirement.

1. Plans and Specifications: Plans and specifications for the above mentioned project will be available April 21, 2017. DSA drawings and specifications will be available shortly thereafter. Plans & specifications will be available for purchase at the contractor's expense, from Arc - Western, 1100 Industrial Rd, Unit 13, San Carlos, CA 94070 Phone: 650-517-1895; fax: 650-631-2315; email: sancarlos@e-arc.com. Please contact LPA Architects via email at clindsay@lpainc.com for further technical information about the project.

2. Pre-Bid Site Inspection and Conference. A mandatory pre-bid site inspection and conference will be held Tuesday April 25, 2017

promptly at 10:00 a.m at Sequoia High School and 11:15 at Menlo-Atherton High School. All attendees are to meet outside the Administration Buildings at each campus: 1201 Brewster Ave Redwood City, CA and 555 Middlefield Rd. Atherton CA. Attendees must sign in by the scheduled start time. The District shall have the discretion to bar attendees who fail to arrive by scheduled time from signing in, if the circumstances warrant. Failure to attend the mandatory pre-bid site inspection will render the Bidder non-responsive. **Before submitting a bid proposal, Bidders shall examine the drawings, read the specifications, examine the form of the agreement, and read all other Contract Documents. Bidder shall also visit the site of the proposed project; examine the buildings, and any work that may have been done thereon. They shall fully inform themselves of all conditions on, in, at, and about the site, and the existing site conditions in their entirety.**
