In addition, the Board retains the right to hire, classify, assign, evaluate, promote, terminate, and discipline employees.
- 2.2 The exercise of the foregoing powers, rights, authority, duties and responsibilities by the District, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith, will be limited only by the specific and express terms of this Agreement, and then only to the extent such specific and express terms are in conformance with law.
- 2.3 In accordance with Government Code Section 3543.2, all matters not enumerated within the scope of representation are reserved to the District.
- 2.4 The District retains its right to amend, modify, or rescind policies and practices referred to in this Agreement in cases of emergency. The determination of whether or not an emergency exists is solely within the discretion of the Board and is expressly excluded from the provisions of Article 10, Grievance Procedure.
- 2.5 The rights of management contained in this clause will not be subject to the grievance procedures contained in Article 10, Grievance Procedure, of this Agreement.

ARTICLE 3 - ORGANIZATIONAL RIGHTS

SECTION 3.1 - Union Rights

- 3.1.1 Union business, discussions, and activities will be conducted by employees or Union officials outside established work hours as defined in Article 4, Hours of Employment, herein.
- 3.1.1.1 District agrees to provide the Union with the opportunity to meet with newly hired bargaining unit employees during their New Employee Orientation as scheduled by the District, as follows:
- a. The District will provide the Union with ten (10) work days advance written notice or notice as soon as the District has determined the date of New Employee Orientations. The notice will include the location and time of the orientation and the period of time set aside for Union access. During the orientation, the Union will be provided with up to thirty (30) minutes to meet with new employees.
 - b. The District will provide to the Union (1) the name, (2) job title (3) department, (4) work location, (5) work, home, and/or personal cellular telephone number, if provided, and (6) home address of any new employee within thirty (30) work days of hire or by the last workday of the month following the month of hire. The information described in this section will be provided to the Union by the first work day of every one hundred and twenty (120) work days for all bargaining unit employees.
- 3.1.1.2 When practicable, the Union President or their designee will provide their supervisor with advance notice of the meeting and specify the Union purpose for the meeting.
- 3.1.2 The District authorizes the Union to use school and other District facilities at times that do not interfere with the school or District programs upon proper application and provided the requested facility is available.
- 3.1.3 The District authorizes the Union use of the District's electronic and paper mailboxes (consistent with the Sequoia Union High School District Employee Technology Use Agreement), and bulletin board spaces designated by the building supervisor subject to the following conditions:

- 3.1.3.3 The Union will not post or distribute information which is derogatory or defamatory of the District or its personnel or of a political nature. Violation of this subsection will be cause for the District to rescind the right to post or distribute for a period of at least one full semester. Nothing in this subsection prohibits the Union from posting or distributing an opposing position on District policy or procedure.

- 3.1.9 No school site may waive any of the terms of this Agreement without the express written approval of the Union Business Agent and President

SECTION 3.2 - Organizational Security

3.2.1.2 Any employee who is a member of AFSCME, Local 829, or has applied for membership will be given to the union for processing.

3.2.1.3 The District will deduct dues from the regular salary check of Union members with a certification in accordance with a fee schedule provided by AFSCME. The District will not be obligated to establish, change or discontinue any dues deduction until the pay period commencing ten days or more after such written submission of certification.

3.2.2 General

3.2.2.1 All Union membership dues deducted by the District will be remitted to the Union, accompanied by a list of all unit members categorized as to membership, within thirty (30) days after such deductions were made.

3.2.2.2 The District will not be obligated to put into effect any change in membership dues until the pay period commencing ten (10) work days or more after a written request is filed. A request filed by the Union will verify that the affected employee has received prior notice of the change.

3.2.2.3 The Union agrees to furnish any information needed by the District in order to fulfill the provisions of this Article.

3.2.2.4 District employees may voluntarily elect to have contributions deducted from their paychecks for the AFSCME PEOPLE Fund. Such deductions will be made only upon signed authorization from the employee and will continue until such authorization is revoked in writing.

3.2.3 Indemnity

3.2.3.1 The Union agrees to pay the District all legal fees and legal costs incurred by the District in defending against any court action and/or administrative action challenging the legality of these organizational security provisions or their implementation. The Union agrees to become a party to any such action and to pay any damage judgment rendered against the District as a result of these provisions or the District's implementation thereof. The Union will have the exclusive right to decide and determine whether any such action or proceeding will or will not be compromised, resisted, defended, tried or appealed. Upon the failure of the Union to pay any of the monetary amounts described herein within sixty days after written demand by the District, the District may deduct such expenses from future dues remitted to the Union. Article 3, Organizational Security, will not be subject to the grievance process.

3.2.4 Contracting Out

3.2.4.1 The District agrees not to contract out work that would result in layoffs or reduction in regularly assigned hours and/or wages. The District reserves the right to contract out work in accordance with Board Policy 3312 and California Education Code 45103.1, or during an extended absence of an employee for whom no qualified substitute is available.

3.2.4.2 Use of Community Volunteers – The District agrees it will not use community volunteers to perform work that has customarily and routinely been done by bargaining unit employees.

3.2.5 Advance Notice

3.2.5.1 Regarding the District's exercise of the powers and authorities described above, the Union, if affected, will be given advance written notice of a minimum of ten (10) business days of any proposed change in policy, rule, regulation or practice directly relating to matters within the scope of representation, wages, hours and working conditions and will be given the opportunity to meet with the appropriate management representatives prior to adoption.

3.2.5.2 In cases of emergency when the foregoing procedure is not practical or in the best public interest, the District may adopt or put into practice immediately such measures as are required. At the earliest practicable date thereafter the Union will be provided with the notice

described in the preceding paragraph and be given an opportunity to meet with the appropriate management representatives.

ARTICLE 4 - HOURS OF EMPLOYMENT

SECTION 4.1 - Work Week

- 4.1.1 The work week for full time employees will be thirty-seven and one-half hours (37.5). Full time employees will work seven and one-half (7.5) hours per day.
- 4.1.2 Employees may be employed for a work year of less than twelve (12) months and for a work week of less than thirty-seven and one-half (37.5) hours.
- 4.1.3 The work week will consist of five (5) consecutive work days for all employees rendering service averaging four hours (4) or more per day during the work week.
- 4.1.4 The District retains the right to extend the regular workday or work week when it is deemed necessary to carry out the District's business. It is understood that management will not make a change in the work week solely for the purpose of avoiding overtime pay.

SECTION 4.2 - Work Day

- 4.2.1 The work day for all employees will be established and regularly fixed by the District in order to meet the District's interests as defined by the District. The District's interests may require variations in the beginning and ending of the work day for individual employees.
- 4.2.2 When a short term or permanent change in work shift is necessary, the District will notify the employee in writing at least ten (10) work days prior to the change of the work shift with a copy of the notice provided to the Union. When the ten (10)-day notice is not feasible, the District will notify the employee and Union as soon as practicable regarding the change in shift and provide the employee, with Union representation if requested, the opportunity to meet and discuss the change.
- 4.2.3 The District will provide a method for daily check-in and check-out at each site.

SECTION 4.3 - Lunch Period

- 4.3.1 Maintenance and Operations (M&O) classifications who render service of at least five (5) consecutive hours per day will be provided a thirty (30) minute non-compensated lunch period. All other classifications who render service of at least six (6) hours per day will be provided a forty-five (45) minute non-compensated lunch period. The lunch period will be assigned by the immediate supervisor to be taken as close to the midpoint of service as administratively practicable. The times for the meal break will be approved by the immediate supervisor, but will not be during the first or last hour of the workday.

4.3.2 Both parties agree that because of the nature of their work, special services aides may, at the direction of the principal or designee, be called upon for campus control during their lunch period. It is understood that the special services aides required to interrupt their lunch period will complete the lunch period later in the same day.

4.3.2.1 Nothing in this subsection is intended to require a special services aide to remain on campus during their assigned lunch period provided prior notification is given to the principal or designee of intent to leave.

4.3.3 "Immediate supervisor" as used in this section means classified supervisory employees or certificated and/or classified management employees having line authority over the position.

SECTION 4.4 - Rest Period

4.4.1 Employees working a seven and one-half (7.5) hour day are permitted two (2) fifteen-minute (15) rest periods during the working day. Employees working for four (4) to seven (7) hours are permitted one (1) fifteen-minute (15) rest period per day. Employees working less than four (4) hours are not permitted a rest period. The rest period herein described will be taken at the direction of the immediate supervisor and will be near the midpoints of each half of the working day.

4.4.2 Rest periods may be observed on or off the school or District Office premises. If leaving the school site or District premises, the employee must notify their immediate supervisor prior to leaving and return on time. If traveling during a rest period, travel time is included in the fifteen-minute (15) break.

4.4.3 "Immediate supervisor" as used in this section means classified supervisory employees or certificated and/or classified management employees having line authority over the position.

SECTION 4.5 - Grounds

4.5.1 The hours of work for the grounds department will be set according to the needs of the District. The District will meet and confer with the Union before changing the work hours of grounds employees.

ARTICLE 5 - TRANSFERS

SECTION 5.1 - Definitions

- 5.1.1 Transfer – A change of location (site) within classification or a change in shift assignment. “Shift” in this Article is defined as “day” or “night” shift. (Night shift starts between 2 p.m. and midnight).
- 5.1.2 Voluntary Transfer - A transfer of an employee initiated at the request of the employee.
- 5.1.3 Involuntary Transfer - A transfer of an employee initiated by a decision of the District.

SECTION 5.2 - Voluntary Transfers within Classification

- 5.2.1 An employee may request a voluntary transfer, within their classification, to fill a posted vacancy to take effect during the school year or at the beginning of the next school year. In either event, the request will be made on a "Request for Transfer" form and sent to the District Human Resources Department prior to the close of the posting period.
- 5.2.2 Job announcements will be posted and accessible via seq.org and will remain open for a minimum of ten (10) working days. Whenever administratively practicable the posting period will include some work days when the schools are open.
- 5.2.3 Employees who desire to transfer should email the Assistant Superintendent of Human Resources to submit their request in writing including the title and location of the vacant position they would like to fill. The employee should submit the appropriate application for the position.
- 5.2.4 Consideration will be given to all employees who request a voluntary transfer within their classification and who meet the established qualifications for the vacancy. However, the final selection is at the discretion of the District.
- 5.2.5 When interviewing for a position, the Human Resources department, or designee, will consider, but not be limited to, the employees’ length of service to the District, involvement in in-service training programs, and experiences related to the upgrading of skills, quality of job performance, and job aspiration.
- 5.2.6 For transfer requests not granted, employees will be notified in writing by the Assistant Superintendent, Human Resources or designees, of the reason(s) for the denial of the transfer.

5.2.7 Probationary employees of the District are not eligible to be considered for voluntary transfers.

SECTION 5.3 - Involuntary Transfers

5.3.1 Classified personnel covered by this Agreement are district-wide employees, and they may be transferred in accordance with the needs or efficient functioning of the District as defined by the Superintendent or designee.

5.3.2 Involuntary transfers may be made at any time, provided the employee is given a minimum of a ten (10) working days advance written notice, and the Union President or their designee has met and conferred on the potential change. The employee transferred will possess the requisite skills for their new position. A conference will be held with the affected employee prior to receiving the notice of transfer. In no case will the employee be transferred involuntarily without the opportunity for a conference prior to the transfer. The Union will be provided with a copy of the involuntary transfer notice prior to the effective date of the transfer.

5.3.3 Employees who are involuntarily transferred will, when requested in writing by the employee or the AFSCME representative, be notified in writing by the Assistant Superintendent, Human Resources, or designee, of the specific reasons for the transfer.

5.3.4 In the event of a necessary reduction of force, outside of Article 11, Discipline, for employees receiving premium shift pay, involuntary transfer to regular shift will be in inverse order of seniority.

SECTION 5.4 - Miscellaneous

5.4.1 All transfers will be confirmed in writing by the Human Resources Department.

5.4.2 The procedures of this Article will be subject to the grievance procedure under Article 10, Grievance Procedure, of this Agreement; however, the final involuntary transfer decision is not subject to the grievance procedure.

ARTICLE 6 - HEALTH AND WELFARE

SECTION 6.1 - Coverage

- 6.1.1 The District agrees to provide eligible employees with the full premium cost for district-provided Health Maintenance Organization (HMO) group health benefits at the highest premium rate, prorated for part-time employees, for single, two-party, or family coverage as applicable.
- 6.1.2 The District agrees to provide eligible employees with full premium cost for district- provided group dental benefits, prorated for part-time employees, for single, two-party or family coverage as applicable. The plan will provide no less than \$2,000 yearly maximum reimbursement for covered dental expenses. The Union agrees that the District may change carriers during the term of the contract with the concurrence of the Union.
- 6.1.3 (Office, Technical and Paraprofessional Classifications)
The District agrees to provide eligible employees with full premium cost for district-provided group vision benefits, prorated for part-time unit members, for single, two party or family coverage as applicable.
- 6.1.4 (Maintenance and Operations Classifications)
The District agrees to provide eligible employees with full premium cost for district-provided group vision benefits for single, two party or family coverage as applicable.
- 6.1.5 The District will provide health care coverage through the Self-Insured Schools of California (SISC), a public schools insurance pool. The Union agrees that the District may change carriers during the term of the contract with the concurrence of the Union.
- 6.1.6 Employees and their domestic partner meeting the criteria in Section 6.2, Eligibility, will be eligible for coverage provided in this section.
- 6.1.7 Health and Welfare benefits will be provided through a cafeteria fund. The fund will provide eligible employees with single, two-party, or family premiums to enable the employee to select any available SISC HMO health plan. The fund amounts will be set at the highest SISC HMO premium, plus the dental premium, for single, two-party, or family coverage as applicable and prorated for part-time employees. Coverage will be paid through the cafeteria fund described as follows:
- 6.1.7.1 The cafeteria fund will be sufficient to provide each active employee with health, dental, and vision (vision as described in subsections 6.1.3/6.1.4) coverage with premiums paid through the District-provided cafeteria fund. The employee may select a health

plan from any of the HMO or PPO plans included in the list of SISC providers. The fund amounts will be set at the highest SISC HMO premium for the coverage selected.

6.1.7.2 If the premiums for the health, dental and vision plans, as described in Sections 6.1 Coverage, chosen by the employee exceed the cafeteria fund amount allocated for qualifying coverage, the employee authorizes the District to deduct the additional premium amount from the employee's monthly pay.

6.1.8 Employees hired on or after January 1, 2023, will not have the option to receive cash-in- lieu of benefits due to SISC regulations.

6.1.9 Employees who were employed with the District on or before December 31, 2022, and who have shown proof of other comparable medical benefit coverage consistent with the Federal Affordable Care Act prior to the transition to SISC, may elect to receive cash-in-lieu of benefits, if eligible and consistent with the following:

- a. The employee was employed with the District on or before December 31, 2022;
- b. The employee provided proof of health coverage through a spouse, eligible domestic partner, or parent comparable to medical benefit coverage consistent with the Federal Affordable Care Act during open enrollment with SISC;
- c. The employee declined the district provided health coverage;
- d. The employee signed up to participate in the cash-in-lieu program;
- e. Employees who are continuing the cash in lieu program must complete the process during open enrollment, annually.

6.1.9.1 Employees participating in the cash-in-lieu Option Program prior to the transition to SISC, and who were employed by the District on December 31, 2022, will receive cash back equal to fifty percent (50%) of the single party premium amount for Kaiser. This payment will be allocated to the employee on a monthly basis, prorated for part-time employees. For employees participating in the cash-in-lieu option program, the cafeteria fund defined in Section 6.1.7 of this Article will be reduced by the amount of the highest two-party or family HMO premium, as applicable.

6.1.9.2 For employees, who were employed with the District on or before December 31, 2022, and who were approved for participation in

the cash-in-lieu option program at that time, the cash-in-lieu dollars may be utilized by the employee as pre-tax dollars to participate in the Section 125 Pre-Tax Benefit Plan, or Deferred Compensation Account (457 Plan or 403b). Monthly contributions must be made to one (1) account for the year and cannot be divided into two (2) or more accounts. The Deferred Compensation Account must be determined/assigned during open enrollment.

6.1.9.3 For employees, who were employed with the District on or before December 31, 2022, and who were approved for the participation in the cash-in-lieu option program only at the time the cash-in-lieu option payment may be paid to the employee directly. In this circumstance, the cash-in-lieu payment received by the employee will be considered as taxable income in compliance with IRS rules. Both the District and the employee are liable for applicable taxes as with any other salary disbursement.

6.1.9.4 If an employee and their spouse or eligible domestic partner are both employees of the District and one employee is employed full-time and the other employee is employed part-time, then the part-time employee may participate in the cash-in-lieu program defined in Section 6.1.9 of this Article. To be eligible for the cash-in-lieu program, both employees must be employed by the District and approved for the cash-in-lieu program by December 31, 2022.

6.1.9.5 Only employees receiving the Cash Back Option effective December 31, 2022 will have the option to continue to receive the Cash Back Option benefit under the SISC medical plan, as long as they continuously provide proof of alternate medical coverage as listed above. The legacy employees on the Cash Back Option will only receive the option as long as they maintain the participation requirements. If the legacy employee does not provide proper proof of coverage or opts to receive medical coverage through SISC, they will no longer be eligible for the Cash Back Option and cannot revert to the Cash Back Option in the future.

6.1.9.6 All employees hired starting January 1, 2023 and moving forward will not be eligible for the Cash Back Option.

6.1.10 If an employee can provide proof of dental coverage through a spouse, eligible domestic partner, or parent, the employee may decline dental coverage and then may opt to receive cash back equal to fifty percent (50%) of the current District's dental premium provided for active employees, prorated for part-time employees. This cash-in-lieu payment may be utilized by the employee as pre-tax dollars to participate in the Section 125 Pre- Tax Benefit Plan (Deferred Comp, 457 or

403b) or may be paid to the employee directly as taxable income. For employees choosing this option, the cafeteria fund amount defined in Section 6.1.7 of this Article will be reduced by the amount of the full dental premium.

- 6.1.11 If an employee is receiving cash-in-lieu for medical insurance, the employee may opt to maintain district-paid dental coverage and/or vision coverage (if applicable). The District will continue to pay the cost of either or both premium(s) while still providing the employee with the cash-in-lieu program as stated above.
- 6.1.12 As a condition of SISC membership, employees who are .90 FTE or greater and who have not been legaced into the cash-in-lieu program, must accept health and welfare benefits. Employees who are less than .90 FTE may decline health benefits coverage if they can provide adequate proof of health coverage from another source in compliance with the Affordable Care Act. Employees, described in this Section 6.1, Coverage, who opt out of receiving health and welfare benefits, will not be entitled to participate in the cash-in-lieu program, except as expressly permitted in other Sections of this agreement.
- 6.1.13 An employee may continue health, dental and vision benefits while on district approved, full-time, unpaid leave by paying the full premiums, including the District's contribution, for the duration of the leave.
- 6.1.14 Employees on extended disability leave provided by Article 7 Section 7.3, Leaves, of this Agreement will be eligible to receive the same district paid health, dental, and vision group insurance they were receiving immediately prior to taking such leave.
- 6.1.15 Employees hired before the fifteenth (15th) of the month will become eligible for health, dental and vision benefits the first day of the first month following the month of their employment. Employees hired after the fifteenth (15th) of the month will become eligible for health, dental and vision benefits the first day of the second month following the month of their employment.
- 6.1.16 Coverage will terminate on the last day of the month in which the employee is separated from the District.
 - 6.1.16.1 Health, dental and vision insurance for the spouse, domestic partner or family of a deceased employee will continue for three (3) full months beyond the month in which the employee's death occurred.

- 7.1.1 Employees of the bargaining unit employed by the District five (5) days per week with full pay for a fiscal year will be entitled to twelve (12) days' paid leave of absence for illness or injury, exclusive of days they are not required to render service. "Day," as used in this Article, means the employee's regularly assigned workday, exclusive of overtime.
- 7.1.2 Employees of the bargaining unit employed less than five (5) days a week and/or less than a full fiscal year are entitled to that proportion of twelve (12) days' paid leave of absence for illness or injury as the number of months and/or number of days a week they are employed bear to twelve (12) months, and/or five (5) days per week.
- 7.1.3 Employees of the bargaining unit employed on or before the fifteenth (15th) of the month will accrue sick leave from the beginning of the month.
- 7.1.4 Credit for sick leave need not be accrued prior to taking such leave, and such leave may be taken at any time during the year, provided certification is submitted as required in Subsections 7.1.7, 7.1.8, and 7.1.9 of this Section.
- 7.1.5 If an employee of the bargaining unit does not take the full amount of sick leave allowed in any year, the amount not taken will be accumulated from year to year.
- 7.1.6 Employees of the bargaining unit must follow procedures established by their immediate supervisor to notify their department of an impending absence and the anticipated duration of the illness. Said notification must be made not later than fifteen (15) minutes before the start of the work shift.
- 7.1.7 The Superintendent or their designee may require an employee to provide a written statement from a medical professional verifying the employee is under the care of a medical professional. The verification cost will be borne by the employee; however, the District will bear the medical cost of a medical verification if the employee is not eligible for the health benefits provided by this Agreement.
- 7.1.8 Employees of the bargaining unit absent due to surgery, serious injury or illness, or absent for five (5) or more consecutive work days, will be provided an FMLA form that may be submitted for time off. The employee will need a release from a medical professional to return to work with no restrictions. If the employee has restrictions for returning to work, they will need to have an Interactive Process Meeting with Human Resources and their Supervisor.

- 7.1.9 Leave pursuant to this section is to be used for illness or injury, except as provided in Section 7.4, Personal Necessity, of this Article. In addition to use for personal illness or injury, employees may use their annual allotment for reasons described in Labor Code 246.5 and in accordance with Labor Code 233. Use of leave pursuant to this section for any other purpose will be grounds for denial of paid leave. Employees may be required to submit proper medical verification of injury or illness.
- 7.1.10 Employees of the bargaining unit absent due to surgery, injury or illness will not be required to return from sick leave until released by medical authority. Employees who have passed probation and who have exhausted all leaves, including vacation, and have not been released by medical authority to return to work due to a non-industrial accident or illness will be subject to the "expiration of all leaves" provisions of Education Code Section 45195. See differential pay in subsection 7.3.2.
- 7.1.11 An employee who is unable to schedule medical or dental appointments at times other than during working hours will be permitted to be absent from work up to one (1) hour without charging the absence to sick leave. In the event absences for medical and dental appointments are frequent in number, the absence, regardless of time, will be charged to sick leave. "Frequent" as used in this subsection means more than one such appointment in any one month, or more than four such appointments in any fiscal year.

This leave will not be accumulated from year to year, and when any leave will overlap a fiscal year, the employee will be entitled for the same illness or injury to only that amount remaining at the end of the fiscal year in which the injury or illness occurred.
- 7.2.1.1 For claims that are not approved, time will be deducted from accrued sick leave followed by vacation leave. Contact the District's Employee Leaves Specialist for available options.

- 7.2.5 The sixty (60) days of industrial accident or illness leave, as provided in Subsection 7.2.4 above, is to be used prior to coordination of normal sick leave benefits. When entitlement to industrial accident or illness leave under this Section has been exhausted, entitlement to other sick leave, vacation, or other paid leave will then be coordinated with the workers compensations payments if applicable. If an employee is receiving temporary disability payments under the Workers' Compensation laws of this state at the time of the exhaustion of benefits under this Section, they will be entitled to use only so much of their accumulated and available normal sick leave, or other paid leave which, when added to the Workers' Compensation award, provides a day's pay at the regular rate of pay.
- 7.2.6 Prior to being permitted to return to work, employees must submit a medical release to Human Resources and their Supervisor.
- 7.2.7 Any time an employee on industrial accident or illness leave is able to return to work, they will, when administratively practicable, be reinstated in their classification without loss of pay status or benefit status.
- 7.2.8 Employees will become eligible for industrial injury or illness leave upon completion of the six (6) month probationary period. Waiver of this eligibility period is at the discretion of the superintendent or designee.
- 7.2.9 Employees in the bargaining unit must notify their immediate supervisor or designee of their illness or injury and the nature of their injury when filing a workers compensation claim. Failure to follow procedures for workers compensation may lead to disciplinary action.

“I certify that the reason for the personal necessity leave is an uncontrollable event that must be attended to during work hours. It is not for the purpose of vacation.”

7.4.3 District adopted procedures for reporting an absence will be used for reporting Personal Necessity Leave. Leave must be approved by the site administrator and the Assistant Superintendent of Human Resources. Whenever possible leave should be requested and approved in advance except for the death of an immediate family member or an accident involving an employee's person, property of the person or property of an immediate family member.

SECTION 7.10 - Illness in the Immediate Family

- 7.10.1 An employee may be granted up to four (4) days' absence per fiscal year (separate from sick leave accrual) with full pay because of serious illness in the immediate family of the employee requiring the actual presence of that employee.
- 7.10.2 "Immediate family" as used in this section means spouse, domestic partner, child, father, mother, father-in-law, mother-in-law, grandparent, grandchild; or any relative or foster child living in the immediate household of the employee.
- 7.10.3 Approval for leave under this section will be obtained from the Assistant Superintendent of Human Resources, with the employee supplying proper verification, including medical verification, as required.

SECTION 7.11 - Catastrophic Leave

- 7.11.1 Catastrophic leave is defined as a major physical or mental disability that renders the employee incapable of performing their regular work duties. Employees may apply for and be eligible to receive catastrophic leave pursuant to the following:
 - 7.11.1.1 The employee is suffering from an incapacitating illness or injury which is expected to continue for an extended period of time, as verified by the attending physician, and which prevents the employee from performing their regularly assigned work with or without accommodation. Verification will set forth the incapacitating nature of the illness or injury and expected length of absence.

- 7.11.1.2 The time off work must create a financial hardship for the employee because they have exhausted all accrued sick leave and any other paid time off.
- 7.11.1.3 Eligibility for catastrophic leave credits will run concurrently with FMLA Subsection 7.5.5, CFRA Subsection 7.5.4, SDI Section 6.7 and Extended Disability Leave Section 7.3 and may be used only for the remainder of the school year, but in no event longer than twelve (12) consecutive calendar months following the start of the illness/accident absence.
- 7.11.1.4 Employees will not be eligible to use catastrophic leave credits unless they have previously donated sick leave credits to the reserve. Previously donated, as used in this paragraph, means having donated sick leave credits during the annual period as defined in Section 7.11.2 below.
- 7.11.1.5 Catastrophic leave credits may be used only in full-day increments.
- 7.11.1.6 The District will publish guidelines for application for Catastrophic Leave, including a description of the process for approval or disapproval of such leave on the District website.

7.11.2 Procedures for Contributing Sick Leave Credit

- 7.11.2.1 Employees may contribute only one (1) sick leave day in any one (1) fiscal year.
- 7.11.2.2 This catastrophic leave provision will not be in effect for any school year in which a solicitation of days is made and a minimum of fifty (50) employees in the unit fail to make a contribution of sick leave credits. If this fifty (50) employee minimum is not achieved in two (2) consecutive years, the catastrophic leave provision in this article will automatically be rescinded and any unused sick leave credits in the catastrophic leave reserve will be returned, on a proportionate basis if need be, to those who donated credits and who did not use any catastrophic leave benefits.
- 7.11.2.3 Sick leave credits may be contributed annually from July 1st through November 1st of each school year. Employees employed by the district after November 1st may donate to the sick leave bank within the first thirty (30) calendar days of employment.
- 7.11.2.4 Contributions of sick leave credits are irrevocable and will be donated in full day increments only.

7.11.2.5 Only employees who have contributed days to the catastrophic leave bank are eligible to use it.

7.11.3 Joint Union-District Catastrophic Leave Committee

7.11.3.1 A joint Union-District Committee composed of two representatives and an alternate of each party will administer the provisions of this article.

7.11.3.2 The duties of the joint committee established by this section will include the following:

- a. Determine and certify that the employee is eligible for catastrophic leave based on their contribution to the program and physicians verification of illness.
- b. Determine the number of days to be granted based on available days, if any, considering such factors as the anticipated duration of the illness, previous use of sick leave and leave pursuant to this section, and length of service.
- c. The committee will work with the District to establish procedures for the catastrophic leave process. Any procedures established will have the express approval of both parties. The committee will act prudently to ensure that a sufficient number of days are in the catastrophic leave bank to meet anticipated needs.
- d. Approve and designate appropriate forms for donating and requesting catastrophic leave credits.
- e. Determine method of proration for sick leave days returned to donor upon discontinuance of the program

7.11.3.3 The joint committee may request that an applicant for catastrophic leave apply for PERS disability allowance in lieu of using the leave provided in this section.

7.11.4 Miscellaneous

7.11.4.1 Employees do not accrue sick leave or vacation while using catastrophic leave credits.

7.11.4.2 Employees receiving workers' compensation benefits for industrial illness/injury will not be entitled to use catastrophic leave credits provided in this section.

- 7.11.4.3 Approval or denial of catastrophic leave requests by the joint committee will not be subject to appeal or subject to the provisions of Article 10, Grievance Procedure, of this Agreement.
- 7.11.4.4 District-paid health and welfare benefits will end when extended disability leave (differential pay) provided in Subsection 7.3.2 of this article would have ended had catastrophic leave not been granted. Employees using catastrophic leave credits beyond the five (5) months of disability leave may continue health and welfare benefit coverage by paying the appropriate premiums.
- 7.11.4.5 The maximum number of days which can be accumulated in the catastrophic leave reserve will be no greater than the number of FTEs in the bargaining unit.
- 7.11.4.6 Catastrophic leave, if granted, will not commence until all leaves are exhausted including sick, vacation and compensatory time.

- 7.12.3 Leave for business or personal reasons, not provided under personal necessity leave may be granted with or without pay at the discretion of the Superintendent or designee.
- 7.12.4 All employees, including probationary employees who have no absences pursuant to Article 7, Leaves, regarding Sections 7.1, Sick Leave, 7.4, Personal Necessity and 7.10, Illness in the Immediate Family, during a fiscal year (July through June) will be entitled upon request to one (1) day of leave with pay on their birthday the following fiscal year. When the birthday falls on a Sunday, the succeeding work day that is not a holiday is deemed to be the birthday. When the birthday falls on a Saturday, the preceding day that is not a holiday will be deemed to be the birthday.
 - 7.12.4.1 When the birthday falls during a week or month when the employee is not assigned to work, the employee will be given a floating holiday during the regular school year. The floating holiday must be scheduled in advance with the pre-approval of the employee's supervisor. The holiday does not carry over or

accumulate if not taken in the succeeding work year after which it is earned.

- 7.12.5 Victims of Domestic Violence, California Labor Code sections 230 and 230.1 allow the use of FMLA and other applicable leave for Victims of Domestic Violence. Please consult District policy or the Human Resources Office for more information.

ARTICLE 8 - EVALUATION PROCEDURES

SECTION 8.1 - Time of Evaluation

- 8.1.1 Employees will be formally evaluated annually.
 - 8.1.1.1 Probationary employees will be evaluated prior to the end of the six-month probationary period.
- 8.1.2 Every employee will be evaluated, annually, by their designated administrator or supervisor and will be reviewed by the Human Resources Department by the end of June of each year. With a satisfactory review, the employee will receive their step increase effective: January 1st or July 1st (if they are not at the top of the pay scale).
- 8.1.3 In cases where the employee reports directly to a classified supervisor, (i.e. grounds or maintenance) the supervisor will complete the evaluation.
- 8.1.4 The District will provide training to administrators and supervisors on evaluation, employee supervision and discipline. The District will monitor the evaluation process to ensure evaluations are submitted annually.
- 8.1.5 If an employee does not receive an evaluation, the employee will automatically receive their step increase.
- 8.1.6 An employee who receives an "unsatisfactory" evaluation will not advance a step on the salary schedule, including longevity increases, unless job performance improves such that the employee receives a satisfactory evaluation.
 - 8.1.6.1 In this circumstance, the employee will be re-evaluated by their supervisor at the end of each three (3) month interval until the evaluation is satisfactory or employment is terminated. The employee will not move on the salary schedule until the next annual evaluation cycle, usually in May or June of each school year.

SECTION 8.2 - Procedure for Completion of Evaluation Forms

- 8.2.1 Evaluations will be made on standard District forms. The original will be sent to the Human Resources Department; one (1) copy will be retained by the designated administrator; one (1) copy will be given to the employee.

SECTION 8.3 - Procedure for Evaluation Conference

- 8.3.1 The completed evaluation form will be shown to the employee being evaluated and each item discussed. Employees may sign the report, and may write any

comments they feel are necessary. Signing the report does not indicate that the employee agrees or disagrees with the report but merely that the employee has seen it. If the employee refuses to sign the evaluation, the Supervisor will note the date and time the document was reviewed with the employee and that the employee chose not to sign the form. Regardless of a signature, the evaluation is the record of the employees' performance and will be placed in the employee's personnel file.

8.3.2 Comments for attachments to the evaluation may also be submitted by the employee within ten (10) working days following the evaluation conference and will be attached to the evaluation.

8.3.3 The immediate supervisor will meet with an employee concerning areas of work that need improvement. If improvement is not forthcoming, a formal conference will be held and recorded with both parties acknowledging this conference.

8.3.3.1 The supervisor must specifically itemize the problem areas and provide examples and specific steps required for improvement (these items should not be a surprise to the employee).

8.3.3.2 The supervisor must provide a specific time line within which improvement is to be demonstrated.

8.3.3.3 The data required in Subsections 8.3.3.1 and 8.3.3.2 above will be in writing and signed by both parties, copies of which will be given to the employee.

8.3.4 At the conclusion of this time, if improvement does not meet with the expectations as outlined, the supervisor will officially record the evaluation on the District evaluation form. A copy of the evaluation form will be sent to the Human Resources Department. The employee may sign the form; however, the signature does not indicate agreement with the evaluation. The employee retains the right to attach a statement listing the objections per Section 8.4 below.

SECTION 8.4 - Employee Evaluation Request for Review

8.4.1 Employees who feel that there are statements in their evaluation that are false and/or derogatory statements, new expectations and/or any item that has not been reviewed and discussed during the timeframe of the evaluation period should seek satisfaction at the first step possible through normal channels in the following sequence.

a. Have a meeting with the Evaluator

b. Have a meeting with Human Resources

SECTION 8.5 - Miscellaneous

8.5.1 Annual evaluations are not subject to the grievance process.

ARTICLE 9 - SAFETY

SECTION 9.1 - General

- 9.1.1 The District will provide a place of employment which is healthy and safe. An employee will not be required to perform duties under conditions which pose an immediate and serious threat of harm to the employee, provided that the employee has taken reasonable means within their discretion to remedy the situation.
- 9.1.2 Nothing in this section is intended to excuse any employee from carrying out their assigned duties.
- 9.1.3 The Union will cooperate with the District in eliminating safety and health hazards. The District, the Union, and the employees recognize their obligation and/or rights under existing federal and state laws with respect to safety and health matters.
- 9.1.4 Each employee has a personal responsibility for the cleanliness and safety of their office, District vehicle and/or work area, and will perform all work in a safe manner, wearing appropriate safety gear/equipment. It is understood that the provisions of this subsection do not require employees to perform custodial duties, unless it is a part of their job description.
- 9.1.5 Should an employee identify a condition which appears to be unsafe, the employee will attempt to restore safety, if it is within the employee's capabilities. Then the employee will immediately notify their principal or supervisor. The situation will be investigated by qualified personnel and the situation corrected if the District deems it to be unsafe.
- 9.1.6 Employees may request an ergonomic evaluation by following the procedures provided on the District website and notifying their supervisor.

SECTION 9.2 - Safety Committee

- 9.2.1 The supervisor may seek the advice of an ad hoc safety committee composed of two (2) unit members appointed by the Union President and two (2) representatives of management to review and make recommendations regarding specific complaints of unsafe conditions in the workplace.

SECTION 9.3 - Examinations and Tests – (Fees)

- 9.3.1 Any fees regarding a physical or mental examination or test required as a condition of continued employment will be at the District's expense.

SECTION 9.4 - Tools, Equipment, Clothing

- 9.4.1 The District will provide and launder, as appropriate, District-required protective clothing for automotive and maintenance personnel.
- 9.4.2 The District will provide all employees with the tools and equipment which are necessary to perform assigned jobs.
- 9.4.3 Employees in the maintenance department will, upon request and with proper receipts, be reimbursed up to \$250 per year for the cost of work boots required for their specific classification/job title.

SECTION 9.5 - Attacks or Assaults Upon Employees

- 9.5.1 Employees will immediately report threats, harassment and/or cases of assault and/or battery suffered by them in connection with their employment. Reports must be made to their principal and supervisor, who will immediately report serious incidents to the District Office of Human Resources and appropriate law enforcement agencies and the Union President.
- 9.5.2 It is mutually agreed by the parties to this Agreement that an employee may, when necessary, use reasonable force in the performance of their duties in the interests of self-protection. It is further agreed that under such circumstances the employee must exercise good judgment, acting and reacting in a reasonable and prudent manner.
- 9.5.3 Employees will have full support and assistance from the District in dealing with students who pose a threat to their safety and work environment. This support and assistance will include full use of all legal steps available.
- 9.5.4 It will be within the discretion of the Superintendent to grant additional industrial accident and illness leave beyond that provided in Article 7, Leaves, of this agreement to an employee who is injured by unprovoked student attack.

ARTICLE 10 - GRIEVANCE PROCEDURE

SECTION 10.1 - Purpose

- 10.1.1 The purpose of this grievance procedure is to facilitate the processing of a claim of grievance and to secure, at the administrative level closest to the alleged aggrieved employee; resolution to any alleged violation of a specific provision of this Agreement which adversely affects an employee covered by this Agreement in their employment relationship.
- 10.1.2 Action to challenge or change the general policies of the district as set forth in Board or Administrative policies or rules must be undertaken under a separate legal process. Other matters for which a specific method of review is provided by law, by rules and regulations of the Board of Trustees or by the administrative regulations and procedures of this school district are not within the scope of the grievance process.
- 10.1.3 This grievance procedure will not be construed in any way as hindering, discouraging, or denying the settlement of complaints outside the structure of the grievance procedure. The District and Union are both encouraged to meet, discuss and resolve all issues and concerns at the lowest level possible.

SECTION 10.2 - Definitions

- 10.2.1 A "grievance" is an alleged violation(s), misinterpretation(s), or misapplication(s) of a specific provision(s) of this Agreement, which directly and adversely affects the grievant. Action to challenge or change the terms of this Agreement will not be considered a grievance.
- 10.2.2 A "grievant" is a classified employee or group of classified employees at the District covered by the terms of this Agreement. The Union may be a grievant for the purposes of this Article.
- 10.2.3 "Day(s)" will mean a day, except those days that are holidays or are during summer, winter, or spring vacation, when the Central Administration Offices of the District are not open for regular business. Days will not include weekend days. Exceptions may be made by mutual agreement.
- 10.2.4 The "immediate supervisor" is the lowest level administrator or supervisor having line supervisory authority over the grievant who has been designated to adjust grievances.

SECTION 10.3 - Procedure

10.3.1 Step 1 - Problem Solving

Before filing a formal written grievance, the grievant must try to resolve the grievance by having a Problem Solving Meeting with the grievant's immediate supervisor.

10.3.1.1 Nothing in this section will prevent an employee from presenting an issue to their immediate supervisor, and having such issue adjusted, without the intervention of the Union as long as the adjustment is not inconsistent with the terms of this Agreement.

10.3.1.2 The District will not agree to a resolution of the grievance until the Union President and Business Agent and Human Resources have received a written notice of the issue and the proposed resolution. The Union and Human Resources will have ten (10) business days to discuss the proposed resolution and provide feedback

10.3.2 Step 2 - Formal Written Grievance

If the grievance is not resolved at the Problem Solving Meeting, the grievant must work with a Union Steward to present the formal written grievance to the immediate supervisor or their designee within thirty (30) business days of the Problem Solving Meeting. The immediate supervisor or designee will provide a written decision to the Union President, Union Steward, employee and Human Resources within fifteen (15) business days after receiving the formal written grievance. Within the above time limits either party may request a conference with the other party. In the event a conference is requested, both parties will mutually agree on the extended time frame for a written response; this will not exceed ten (10) days from the date of the conference.

10.3.3 Step 3 - Next Level Formal Written Grievance

If the grievant is not satisfied with the decision at Step 2, the Union Steward and grievant may appeal the decision on the appropriate form to the Assistant Superintendent of Human Resources, or designee, and copy the Union President within fifteen (15) business days from receiving the Step 2 written decision.

10.3.3.1 This statement will include a copy of the original grievance, the decision rendered at both Step 1 and Step 2 and a clear, concise statement for the reasons for the appeal.

10.3.3.2 Within ten (10) business days after receipt of the appeal, the Assistant Superintendent of Human Resources, or designee, will

provide a written decision to the Union President, Union Steward and grievant. The Union Steward and grievant or the Assistant Superintendent of Human Resources or their designee may request a conference within the above time limits. In the event a conference is requested, both parties will mutually agree on the extended time frame for a written response; this will not exceed ten (10) business days from the date of the conference.

10.3.4 Step 4 - Advisory Arbitration

If the grievant is not satisfied with the decision at Step 3, they will have fifteen (15) business days after receipt of the written decision at Step 3 to submit a written request for the grievance to be moved to advisory arbitration. A copy of the request will be sent to AFSCME Local 829 (via the Business Agent), the Union Steward, Union President and the Superintendent or designee.

10.3.4.1 Within sixty (60) business days of such notice, the Union President, Business Agent and the District will attempt to agree upon a mutually acceptable arbitrator. If the parties are unable to agree upon a mutually acceptable arbitrator, the parties will use the rules, procedures, and services of the American Arbitration Association (AAA) or the State Mediation and Conciliation Service (SMCS) to select an advisory arbitrator to hear the grievance.

10.3.4.2 The fees and expenses of the arbitrator, a court reporter if utilized, and the hearing will be borne equally by the District and AFSCME, Local 829. All other expenses, including the costs of representation and of additional transcripts will be borne by the party incurring them.

10.3.4.3 However, if the arbitrator's recommended decision is rejected in its entirety or substantially modified by the Board of Trustees upon its subsequent review of the decision, the District will pay all costs for the services of the arbitrator.

10.3.4.4 The arbitrator will as soon as possible conduct a hearing and render an advisory award. If the parties cannot agree upon the issues, the arbitrator will determine the issues. The arbitrator will have no power to add to, subtract from or modify the terms of this Agreement or to contradict applicable laws. The arbitrator may recommend in any award such financial reimbursement or other remedies as they judge to be proper. If any question arises as to the arbitrability of the grievance, such a question will be ruled upon by the arbitrator before the merits of the case have been heard.

10.3.4.5 The advisory decision of the arbitrator will be submitted to the AFSCME Business Agent, Union President and to the Board of Trustees. The Board will take action upon the recommendation at the next regular meeting following receipt of the decision provided the matter may be placed on the agenda in time. The Board will provide written notice of its decision to the AFSCME Business Agent and Union President. If the Board rejects or modifies the advisory decision, or any part of it, the Board will issue a written statement of its reasons to the AFSCME Business Agent, Union President, Union Steward and grievant within ten (10) business days of the Board meeting.

10.3.4.6 The decision of the Board of Trustees will be final.

SECTION 10.4 - Release Time for Processing of Grievances

10.4.1 The District authorizes release time for the purpose of processing grievances without loss of compensation as follows:

- a. The grievant and one (1) Union Steward will have release time during the Problem Solving Meeting for the first step in the grievance with the immediate supervisor.
- b. The grievant, one (1) Union Steward of their choice, and up to two (2) witnesses for each party as needed at Step 2 and Step 3 of the grievance process. Upon mutual agreement, both parties may have additional witnesses that may be granted release time. The intent of this subsection is to keep the number of witnesses at a minimum.
- c. The grievant, Union Steward, Union President, and all necessary witnesses will be released during the advisory arbitration hearings.

10.4.2 The grievant, Union Steward, Union President, and necessary witnesses will be available if the Board of Trustees desire to investigate the grievance rather than solely review the documentation. These employees will only be released during a meeting of the Board of Trustees that is held during the regular workday.

10.4.3 Processing of Grievances Defined

Processing of grievances will be that time actually spent in discussions during meetings with an immediate supervisor, the Assistant Superintendent of Human Resources or their designee and/or the Board of Trustees.

10.4.3.1 Time spent in actual transit from work location to the meetings authorized in Section 10.4.3 above will be considered "processing of grievance" for purposes or receipt of this release time.

10.4.3.2 Time spent by the grievant, Union Steward, and/or Union President for purposes of investigation and/or preparation for the various steps, meetings, and/or hearing as described in this Article will not be considered "processing of grievance" for purposes of release time. The Union Steward and Union Officers may receive up to three (3) hours per grievance for investigations. This time cannot conflict with any other employee's work or interrupt their work. This time must be arranged and approved in advance from all the employees' immediate supervisors.

10.4.4 Consistent with the timelines included in Article 10, Grievance, the Union and the District will work together to schedule grievance meetings at a time mutually agreeable to both parties, except for advisory arbitration hearings, so as not to create a hardship on the District or grievant and so as not to create a conflict with work duties.

SECTION 10.5 - Miscellaneous Provisions

10.5.1 A grievance may be withdrawn by the Union Steward and grievant at any step without prejudice or record. If a grievance is withdrawn, it will be done so in writing.

10.5.2 At any step, time limits in this Agreement may be mutually extended. However, the intent of this procedure is to expedite the processing of all grievances.

10.5.3 At any step, the Union and the District will be allowed to present relevant documentation and a written statement of position that supports their respective position.

10.5.4 If the Union fails to meet any of the time limits, the grievance will be deemed denied.

10.5.5 If the District fails to meet any of the time limits, the grievance will be deemed sustained.

10.5.6 Filing of a grievance will not be considered detrimental to good employee employer relations.

10.5.7 A copy of the grievance form will not be placed in the grievant's personnel file unless the grievance is based on a Skelly Hearing.

10.5.8 Disciplinary grievances and grievances based on Skelly decisions will start at Step 2. Under these circumstances, the Problem Solving meeting is not required.

ARTICLE 11 - DISCIPLINE

SECTION 11.1 - Employee Discipline for Just Cause

- 11.1 Discipline will be imposed by the District on classified employees only for just cause. Just cause which could give rise to Discipline are cited in the Sequoia Union High School Board Policy 4218.

SECTION 11.2 - Progressive Steps Procedure

- 11.2.1 In handling disciplinary matters, progressive steps will be utilized unless the incident giving rise to the discipline is of such a nature that more severe action is appropriate. Whether or not the serious nature of the offense warranted bypassing the progressive steps is subject to Article 10 Grievance Procedure. A copy of all verbal warnings, written warnings, suspensions, Performance Improvement Plans (PIP), and terminations will be sent to the Union President and Business Agent immediately for reference and tracking purposes. If an employee needs representation, they must request representation per the Weingarten Rights. Progressive steps will occur in the following order when applicable:

11.2.2 Verbal Warning(s)

The immediate supervisor will inform the employee and Union representative, if requested, verbally and in a written memo that this is the first step of progressive discipline. The supervisor will provide reasonable steps and a time period following a verbal warning for the employee to correct the problem without incurring additional disciplinary action. Verbal warnings documents are not submitted to Human Resources for placement in employee personnel files.

11.2.3 Written Warning(s)

After the employee has been given one (1) or more verbal warning(s) within the last twelve (12) months, the supervisor may issue a written warning to be placed in the employee's personnel file. The written warning will include the date(s) of the verbal warning(s), an account of the circumstance leading to a written warning, and the clear expectations for progress, if applicable. The supervisor will meet with the employee and Union Steward to review the written warning and reasonable steps and time frame for demonstrating improvement.

11.2.4 Suspension

Employees may be suspended with or without pay. Suspension without pay will not be used unless the employee has received a written reprimand about similar actions within the last twelve (12) months or the incident giving rise to the discipline is of such a nature that more severe action is appropriate. The

employee, Union President and Business Agent must be notified in writing when the District has an intent to suspend an employee with a Skelly Notice.

11.2.5 Involuntary Demotion or Termination

Employees may be demoted or terminated based on progressive steps of discipline or the egregiousness of their actions/behavior. Termination or demotion will not be used unless the employee has received a suspension about similar actions within the last twelve (12) months or the incident giving rise to the discipline is of such a nature that more severe action is appropriate. The employee, Union President and Business Agent must be notified in writing when the District has an intent to demote or terminate an employee with a Skelly Notice.

SECTION 11.3 - Skelly Procedure

11.3.1 Skelly Notice

When a suspension, demotion or termination is proposed, a notice of such disciplinary action will be made in writing and served in person or by certified mail at the employee's last known address. The Union President and Business Agent will receive a copy of this notice via email. The written notice will be included in the employee's personnel file and the notice will include the following:

- 11.3.1.1 Statement of disciplinary action proposed
- 11.3.1.2 Effective date of action.
- 11.3.1.3 Statement in ordinary and concise language of the act, behavior and/or omissions upon which the discipline is based.
- 11.3.1.4 Statement advising the employee of the right to a Skelly hearing or written response and the right to appeal the recommendation of the Superintendent/designee to the Board of Trustees.
- 11.3.1.5 Statement that the employee has the right to Union representation at all steps of disciplinary procedure and Skelly process.
- 11.3.1.6 Designation of the law, rule, regulation, and/or policy the employee has violated.
- 11.3.1.7 All documentation, including any progressive steps of discipline and Performance Improvement Plan (PIP) used to justify the level of discipline being proposed.

11.3.2 Employee Skelly Response

Employees will be given a minimum of seven (7) working days from the receipt of the Notice of Intent to request a Skelly hearing or provide a written response. The employee will have the right to representation at the hearing. Failure to request a Skelly hearing or respond with a written statement within the specified time will constitute a waiver of the employee's rights and is acceptance of the District's proposed discipline.

11.3.3 Providing Written Documentation in Advance

Written materials on which all charges are based will be provided to the employee and the Union President and Business Agent, and will be included in the Skelly Notice.

11.3.4 Written Notice of Skelly Decision

After the Skelly hearing or upon reviewing the employee's written response to the Skelly Notice, the Superintendent or their designee will provide the employee and the Union President and Business Agent a written response of their decision. This notice will be delivered in person or by certified mail to the employee and via email to the Union President and Business Agent.

11.3.5 Employee Remaining in Paid Status

An employee in paid status will remain in paid status until they receive the District's decision in accordance with Subsection 11.3.4. In the case of job abandonment, the District will make a documented, reasonable attempt to contact and communicate with the employee. If there is no response from the employee, that employee will no longer be in paid status. It is the responsibility of the employee to ensure that the District always has correct and up to date home/mailling address, telephone number(s) and personal email address on file.

11.3.6 Skelly Appeal Procedure

The employee may appeal the final decision of the District via the Grievance Procedure. Written notice of such grievance must be delivered within ten (10) business days of the final Skelly decision. Failure to file such a grievance within ten (10) business days from the notice of the Skelly decision will constitute a waiver of grievance rights and acceptance of the District's final decision on discipline.

ARTICLE 12 - LAYOFFS

- 12.1 Procedures for layoffs are found in Education Code Sections 45298 and 45308. The District procedures for layoffs will be in accordance with Ed Code and the following:
- 12.1.1 The order of layoffs within a classification will be determined by District seniority.
 - 12.1.2 District Seniority will be determined by date of hire. In the case of the same hire date, seniority will be determined by total hours of services.
 - 12.1.3 The employee who has been employed with the District for the shortest time in a classification being affected by a layoff, will be laid off first.
 - 12.1.4 If an employee has been employed in the past, their years of service will be accounted for based on the most recent date of hire to determine district seniority for layoffs. (AR 4217.3)
 - 12.1.5 Reemployment will be in the reverse order of layoff.
 - 12.1.6 Laid off employees are eligible for reemployment for a period of thirty-nine (39) months and are to be reemployed in preference to new applicants.
- 12.2 The District will meet and confer with the Union to discuss the effects and impacts of District layoffs.

ARTICLE 13 - COMPENSATION

SECTION 13.1 - Initial Placement

- 13.1.1 Employees will receive their salary step placement based on their experience on file with the Human Resources Department..

- 13.9.4 Employees who are promoted will be placed on the salary schedule at the step which gives the employees a minimum of a five percent (5%) salary increase, if available on the salary schedule. 11	18
12	19
13	20

14.2.1.1 The vacation allowance provided in this subsection must be earned and accrued prior to its use.

14.2.1.2 "Full year's service" as used in this subsection means to be actually employed for one (1) entire fiscal year from July through June. Employees employed before November 1 of any fiscal year will be considered to have completed one (1) full year of employment for vacation anniversary date purposes when they have been employed through June of the fiscal year in which they were initially hired.

- 14.2.2 Employees working less than twelve (12) months, or less than seven and one-half (7.5) hours per day, as of June 30, will be allowed a proportionate amount of vacation depending upon the relation of the time served to twelve (12) months.
- 14.2.3 Except for nine (9) month employees, vacation may, with the approval of the employee's immediate supervisor, be taken at any time during the employee's work year. Vacation not taken during the year in which it is accumulated will be carried forward for use in the next fiscal year. Vacation carried over from one year MUST be used in the succeeding school year. Employees may meet with supervisors at the beginning of the fiscal year to plan anticipated vacation schedules.
- 14.2.3.1 In the rare event the employee is not able to take their full annual vacation, the employee will carry over days up to the limit of twenty-five (25) days and be paid out for the remaining days not taken. Pay out calculations will be done in July of each fiscal year. Supervisors will closely monitor the vacation days for these employees in successive school years.
- 14.2.4 Employees are encouraged to take vacation in the year in which it is earned. Every effort will be made to limit the number of vacation days carried over year to year. Upon separation from service, employees will be entitled to lump-sum compensation for all earned and authorized unused vacation.

- 14.2.7 The District reserves the right to schedule work hours during winter and spring break for those employees whose jobs are best accomplished during times when students are not present. Employees not needed to work during school closure times will take forced vacation time during winter and spring break. Management will consult with staff when making decisions on which jobs are to be worked during scheduled closures.
- 14.2.8 In the event of bereavement or serious illness which prevents continuation of the vacation, employees may, upon approval of the Superintendent or designee, interrupt or terminate vacation to begin sick leave, illness in the immediate family, or bereavement leave as provided in this Article. ARTICLE 15 - BUS DRIVERS

SECTION 15.1 - Definitions

- 15.1.1 "Regular home-to-school" runs are those runs which transport students from their homes to school and return on a daily, scheduled basis. The scheduled times will be adjusted for efficiency and economy and to meet the needs of the class schedule at each school.
- 15.1.2 "Extra trips" are special trips originating at or after 4:30 p.m. on school days and any trip scheduled on Saturday, Sunday, or a holiday. The late bus from school to home is not an extra trip.
- 15.1.3 "Special trips" transport students on school days to and from field trips and athletic events and activities and originate prior to 4:30 p.m.
- 15.1.4 "Cover Driver" is a regular school bus driver that bids on a work shift, not a bus route.

SECTION 15.2 - Attendance and Start Time

- 15.2.1 The School Bus Driver position is a nine (9) month position.
- 15.2.2 The work calendar for Bus Drivers will be equal to the number of "student days" in the District's instructional calendar for any given school year. When a Bus Driver bids on a route/run, they will be bound to the District's instructional calendar. This applies to school start, end date, holidays and non-school days.
- 15.2.2.1 At the beginning of each school year, drivers will be ranked on the non-instructional calendar eligibility list by seniority. Any route/run days other than the District's instructional calendar will be assigned on a rotational basis by seniority.
- 15.2.2.2 When administratively practicable non-instructional route/runs will be assigned to cover a single holiday, consecutive holidays, and or breaks as one assignment.
- 15.2.2.3 In the event that the number of "student days" for a different school/District is less than the Sequoia District's instructional calendar, the District will make a good faith effort to offer

available work, including, but not limited to, an uncovered (open) route or extra work.

- 15.2.3 The District provides a six and a half (6.5) hour minimum guarantee for bus drivers. In addition, bus drivers will receive a daily guarantee for the Fall and Spring bid periods according to the number of hours awarded during the bid. In the event that a run or trip takes less than the minimum guaranteed hours, the driver will be assigned (and must perform) additional duties within the department.
- 15.2.4 Bus Drivers are required to report absences a minimum of 30 minutes prior to the beginning of the route.
- 15.2.5 Drivers who are more than 10 minutes late from "clock in time" may have their route assigned to another driver, dispatcher, Mechanic, supervisor or Director. A late driver will be assigned to a route by the Director or designee and will begin their workday as soon as possible or at the start of their second shift.
- 15.2.6 Drivers will not be paid for clocking in prior to their posted time or past their end time without prior approval and written authorization by the Transportation Director or their designee.
- 15.2.7 Attendance at staff meetings that are held at a time outside of the Bus Drivers regularly scheduled work hours will be compensated in accordance with Article 13, Section 6, Call Back Pay.

SECTION 15.3 - Regular Home-to-School Runs

- 15.3.1 Bus drivers are hourly employees and will be assigned to regular home-to-school runs in a manner to achieve efficient and economical bus operations. The Transportation Director, or designee, will regularly review home-to-school runs and driver assignments to meet the needs of the District.
- 15.3.2 Whenever administratively practicable, and when it is efficient and economical, drivers will be assigned home-to-school runs based on highest seniority and will have the most regularly assigned home-to-school run hours per day.
- 15.3.3 Bus drivers will bid by seniority on regular home-to-school runs twice a year. The bid will be held prior to the start of the fall and spring semesters.
 - 15.3.3.1 At least two (2) working days prior to the bid date the District will post in the drivers room the seniority list, the routes and the route times.

15.3.3.2 Whenever administratively practicable, driver requests for specific home-to-school runs will be honored if such requests do not violate District policy or do not result in inefficient or uneconomical operations.

15.3.4 When route consolidation during the school year results in reduced assigned hours, bus drivers have the option of accepting the reduced hours, taking extra work, filling a temporary/substitute assignment for an absent driver, or bidding on another route at the next bidding period. The District will also make a good faith effort to assign affected drivers to alternate work, including, but not limited to, substituting on routes which do not conflict with regular assignments or extra work. Drivers with reduced assigned hours have priority over other drivers for extra work, provided they have appropriate qualifications for the work. Route consolidation as used in this subsection does not include temporary consolidation of routes because of absences of drivers or other emergency short-term consolidations.

15.3.4.1 It is understood that "consolidation" as used in 15.2.4 does not include the reduction of hours caused by a special education student not needing/qualifying for home-to-school transportation. Special education route consolidation will be handled on a case-by-case basis, with the intent of maintaining original bid hours until the next bid period.

SECTION 15.4 - Extra Trip Runs

15.4.1 Whenever administratively practicable, extra trips will be assigned to drivers in a manner to achieve equitable distribution of extra trip time.

15.4.2 An extra-trip-time-account ranking will be the basis for offering a driver an extra trip assignment. However, the Transportation Director, or designee, may, in the best interest of the District, or in case of emergency, make a variation in the assignment of extra trips. "Best interest of the District" includes, but is not limited to, safety of students, unique or unusual requirements for driver knowledge or skill.

15.4.3 An extra-trip-time account will be opened for each driver at the beginning of each school year or upon employment, if hired after the school year begins. The account will be closed at the end of each school year.

15.4.4 An extra trip account will be opened for each driver hired for the start of the Summer School term and will close at the end of Summer School Session.

15.4.5 At the beginning of each school year, drivers will be ranked on the extra trips eligibility list by, change to seniority with the driver having the earliest

employment date ranked first and the driver with the most recent employment date ranked last.

- 15.4.6 Throughout the school year, drivers will be reranked weekly on the basis of the number of hours credited to each driver's extra-trip-time account. Drivers credited with the most extra duty hours are placed at the bottom of the eligibility list, and drivers with the least such hours are placed at the top of the list.
- 15.4.7 Drivers log hours in their extra-trip-time account on the basis of the number of hours of actual extra trip time worked or of the number of hours equal to a trip "passed." (A trip is "passed" whenever a driver does not accept the offer of an extra trip and is not eligible for a "hold." Drivers are eligible for a "hold" whenever they are disabled by a verifiable illness, are eligible for military leave pursuant to Article 7, Leaves, of this Agreement, or are unavailable for a trip which is offered less than twenty-four (24) hours before the trip's scheduled departure time.)

SECTION 15.5 - Special Trip Runs

- 15.5.1 Whenever administratively practicable, special trips will be assigned to evenly distribute the number of trips (not hours) among all the drivers in the department.
- 15.5.2 Special trips will be assigned by the Transportation Director, or designee, based on the following:
- a. Safety factors requiring special experience or specialized knowledge and skills.
 - b. Driver's ability to handle the necessary equipment.
 - c. Driver availability. In order not to have a trip offered when a driver is not available, drivers must give written notice to the Transportation Director, or designee, of the actual times when they are available or unavailable for special trips.
- 15.5.3 Special trips will not be assigned to drivers who have regular home-to-school runs which overlap the hours for the special trips or which total seven and one-half (7.5) hours of assigned time each day and would, therefore, require overtime. Exceptions will be made by the Transportation Director, or designee, when in their opinion special factors, including, but not limited to, student safety and use of equipment requiring special knowledge or skill are warranted. If warranted, the driver will receive written authorization in advance of the scheduled trip with overtime.

- 15.5.4 Drivers will be notified of special trip assignments by means of an order placed in the driver's mailbox, emailed to the driver and/or by a posting on the special trip board.
- 15.4.4.1 For purposes of this subsection, orders placed in a mailbox or emailed that are time stamped after 4:00 p.m. will be considered offered at 6:00 a.m. the following work day. The twenty-four (24) hour time frame to respond will start at 6:00am.
- 15.5.5 Drivers must within twenty-four (24) hours of the offer of a special trip signify acceptance of the assignment by signing the special trip board.
- 15.5.6 Drivers refusing a special trip assignment for any reason, including unavailability, must sign the special trip refusal board within twenty-four (24) hours of the assignment offer.
- 15.5.7 As soon as administratively practicable after the end of the week, the Transportation Director, or designee, will post the number of assigned special trips for each driver. For purposes of counting assigned trips, the trips refused by a driver will be added to those actually worked (provided the refused trip did not fall during a time the driver had given written notice of unavailability).

SECTION 15.6 - Pay for Special or Extra Trips

- 15.6.1 Drivers will be paid for the actual hours worked on special and extra trips regardless of time estimated for the scheduled trip. However, drivers are expected to complete all assigned trips within the estimated or scheduled time. Any time needed beyond the estimated or scheduled time must be justified to the Transportation Director, or designee. The Transportation Director, or designee must be notified as soon as possible for any change in the schedule or time needed for the trip.
- 15.6.1.1 If the time taken is beyond the estimated or scheduled time, the teacher or other person in charge of the trip may be asked to verify the actual beginning pick up and ending delivery time.
- 15.6.2 Graduation night trips will be paid at the Bus Driver's overtime rate.
- 15.6.3 All work on the sixth (6th) and seventh (7th) day of the Driver's work week will be paid at the Bus Driver's overtime rate. All work will be in compliance with Department Of Transportation (DOT) regulations and wage and hour rules of Department of Fair Employment and Housing (DFEH) and the State of California.

SECTION 15.7 - Summer Route Specifics

- 15.7.2 School Bus Drivers may voluntarily bid on summer routes.
- 15.7.3 While participation in summer routes is voluntary, routes are bid as outlined in Subsection 15.3, Regular Home-To-School Runs.
- 15.7.4 For summer routes, Bus Drivers will submit a timesheet for actual hours worked. The six and a one-half (6.5) hour minimum guarantee, found in Subsection 15.2.3, Attendance and Start Time, does not apply.
- 15.7.5 Bus Drivers who accept and complete the summer route they bid, will be given four (4) hours of additional sick leave per Summer session (8 hours maximum for the summer).
- 15.7.5.1 Four (4) hours per session (8 hours total for the summer) is the maximum amount of sick leave that may be used by the Driver during the summer.
- 15.7.5.2 Providing that the Driver works every day of the summer route, the sick leave earned during the summer will be added to the Driver's regular sick leave balance.
- 15.7.6 All procedures and requirements of this Agreement, except as described in Subsection 15.7.5 above, are in effect once a driver bids and accepts a summer assignment.

SECTION 15.8 - Miscellaneous

- 15.8.1 "Non-Student Days" When routes are posted, the "non- student days" will be listed. Drivers will also be notified as soon as administratively practicable after the department is made aware of additional "non-student days". Whenever there are additional "non-student days" not posted at the bidding, or runs are canceled because of the absence of students, the District will make a good faith effort to offer available work, including, but not limited to, an uncovered (open) route or extra work.
- 15.8.2 The District will provide bus drivers with an opportunity to receive, with pay, up to ten (10) hours of renewal classroom/in-service instruction required by the state for recertification and up to four (4) hours of behind the wheel training during their renewal year.
- 15.8.3 A five percent (5%) increase will be applied to the bus driver's wages for:
- a. Hours a certified bus driver trainer spends in actual training, either behind the wheel or in the classroom or;

- b. A bus driver providing an in-service/classroom training, or pre-trip inspection training.

15.8.4 Uniforms

The District will provide uniforms for school bus drivers. School Bus Drivers will be expected to wear and maintain District issued uniforms. Drivers must properly wear this uniform while in the working capacity as a School Bus Driver.

- 15.8.4.1 All uniforms are the property of the District. Upon resignation/termination, drivers will return all uniforms to the District.

15.8.5 Unless specifically addressed in the Bus Driver Article of the parties' collective bargaining agreement, all of the other terms and conditions of the parties' collective bargaining agreement will continue to apply to bus drivers, unless such other terms and conditions are directly contrary to the provisions included in the Bus Driver Article.

ARTICLE 16 - NO-STRIKE CLAUSE

APPENDIX A - PARENTAL LEAVE
(CALIFORNIA EDUCATION CODE SECTION 45196.1)

(a)

(1) Notwithstanding any other law, during each school year, a classified employee may use his or her sick leave for purposes of parental leave for a period of up to 12 workweeks.

(2) In school districts that use the differential pay system described in the first paragraph of Section 45196, when an employee has exhausted all available sick leave, including all accumulated sick leave, and continues to be absent from his or her duties on account of parental leave pursuant to Section 12945.2 of the Government Code, the amount deducted from the salary due him or her for any of the remaining portion of the 12-workweek period in which the absence occurs will not exceed the sum that is actually paid a substitute employee employed to fill his or her position during his or her absence.

(3) In school districts that use the differential pay system described in the last paragraph of Section 45196, when an employee has exhausted all available sick leave, including all accumulated sick leave, and continues to be absent from his or her duties on account of parental leave pursuant to Section 12945.2 of the Government Code, the employee will be compensated at no less than 50 percent of the employee's regular salary for the remaining portion of the 12-workweek period of parental leave.

(4) Regardless of the type of differential pay system used by the school district pursuant to paragraphs (2) and (3), the compensation a classified employee will receive will be no less than 50 percent of his or her regular salary for the remaining portion of the 12-workweek period of parental leave.

(b) For purposes of subdivision (a), all of the following apply:

- (1) The 12-workweek period of parental leave will be reduced by any period of sick leave, including accumulated sick leave, taken during a period of parental leave.
- (2) An employee will not be provided more than one 12-workweek period for parental leave during any 12-month period.
- (3) Parental leave taken pursuant to this section will run concurrently with parental leave taken pursuant to Section 12945.2 of the Government Code. The aggregate amount of parental leave taken pursuant to this section and Section 12945.2 of the Government Code will not exceed 12 workweeks in a 12-month period.

(c) This section will be applicable whether or not the absence from duty is by reason of a leave of absence granted by the governing board of the employing school district.

(d) Notwithstanding subdivision (a) of Section 12945.2 of the Government Code, a classified employee is not required to have 1,250 hours of service with the employer during the previous 12-month period in order to take parental leave pursuant to this section.

(e) Nothing in this section will be construed to diminish the obligation of a public school employer to comply with any collective bargaining agreement entered into by a public school employer and an exclusive bargaining representative pursuant to Chapter 10.7 (commencing with Section 3540) of Division 4 of Title 1 of the Government Code that provides greater parental leave rights to employees than the rights established under this section.

(f) For purposes of this section, “parental leave” means leave for the reason of the birth of a child of the employee, or the placement of a child with an employee in connection with the adoption or foster care of the child by the employee.

(Amended by Stats. 2018, Ch 994, Sec. 2. (AB 2012) Effective January 1, 2019)
