Self-Insured Schools of California: schools helping schools

2023-2024 guide to understanding your Anthem HMO plan

Anthem Blue Cross and Self-Insured Schools of California: proud to offer the SISC HMO plan

Self-Insured Schools of California (SISC) is the largest public-school pool in the U.S. that offers health benefits and other value-added services for its employees. Established in 1979, we operate as a public-school joint powers authority (JPA) administered by the Kern County Superintendent of Schools office. We have the purchasing power to negotiate the widest variety of insurance products at the lowest-possible cost.

SISC is subject to the Brown Act, which means our board meetings are open to the public, and our financial statements are a matter of public record. We don't operate on profit margins. We exist solely to provide the best products and services to our districts and their employees.

Schools helping schools

This plan is offered to school districts that are members of SISC. Joining with other school districts provides SISC members with the most-stable long-term health benefits available. Our commitment to controlling costs is reflected in our mission of providing affordable rates and continued access to quality healthcare.

That's why we have partnered with Anthem to offer the SISC health maintenance organization (HMO) plan. This guide provides an overview of HMO benefits and information that can help you find the support and care you need to make smart decisions for your healthcare.

Do you have questions about your HMO plan?

Anthem has created a website just for you: [anthem.com/ca/sisc](https://www.anthem.com/ca/sisc). Log in to view information about your health benefits, find care providers, and learn more about additional programs. You also can call your dedicated Anthem Member Services team Monday through Friday, 8 a.m to 8 p.m. Pacific time, at **800-825-5541**.

Your SISC HMO plan

A HMO plan takes a team approach to your healthcare and services. Your primary care physician (PCP) coordinates all of your basic care, including yearly checkups and treatment, and manages referrals to specialists. The medical group, or independent practice association (IPA), makes sure the services you receive are the most appropriate and meet the highest of standards.

Key features of the HMO plan

PCP	Required. Your PCP provides preventive care, arranges admission to a hospital, coordinates care from specialists, and helps you make decisions about your health.
Referrals	Required. If your PCP determines you need care from a specialist, they will coordinate a referral.
Out-of-network benefits	Not available. Except for emergency or urgent medical needs, your plan doesn't cover care from doctors who are not in your plan.
Out-of-pocket costs	You pay a copay for most care you receive at a doctor's office. After that, most covered services in the office are covered at 100%. You typically do not have to pay deductibles or coinsurance when you receive care from your PCP.
Change your PCP or medical group	To choose a new doctor, go to anthem.com/ca/sisc or call Anthem Member Services at 800-825-5541 .

Find a behavioral health provider

Your behavioral health benefits include inpatient and outpatient mental health and substance abuse care for issues such as:

- Depression
- Alcohol and drug abuse
- Mental illness
- Marriage and family counseling

HMO members can self-refer to a behavioral health provider in their plan.

Go to [anthem.com/ca/sisc](https://www.anthem.com/ca/sisc) and select Find Care.

Quality care that's in your plan's network

Your Anthem HMO network includes a wide range of doctors and healthcare facilities.

Choosing a PCP

- When you enroll in the HMO plan for the first time, you will need to choose a PCP for you and your enrolled dependents. If you're already an Anthem HMO member, you don't need to change or select a new PCP.
- If you are choosing a new PCP, call the doctor's office to make sure they are accepting new patients. The new PCP can provide a form for you to transfer your medical records. Mail the form to your previous doctor, who will send copies of your medical records to the new PCP.
- If you don't select a PCP during enrollment, Anthem will automatically assign a PCP to you and your enrolled family members. You can change your PCP by calling Member Services at **800-825-5541**.

Find a doctor in your plan

- Go to [anthem.com/ca/sisc](https://www.anthem.com/ca/sisc).
- Select **Find Care**.
- Choose **HMO (Full Network)**, **HMO Select Network**, or **HMO Priority Select Network**. Confirm network options with your school district.

You will then be directed to the Anthem website, where you can search for a care provider by type or location.

If you're looking for a PCP, select the check boxes for **Accepting new patients** and **Able to serve as PCP**. To find your doctor's provider and medical group or IPA number (which is needed when you enroll in the HMO plan for the first time), select the doctor's name and look for the **Paper/online enrollment ID**. This is the code that will go on your enrollment form.

We're here to help

If you have questions, call your dedicated Anthem Member Services team Monday through Friday, 8 a.m to 8 p.m. Pacific time, at **800-825-5541**.

Coverage when you travel

- 1 Go to [anthem.com/ca/sisc](https://www.anthem.com/ca/sisc).
- 2 Call BlueCard Access at **800-810-BLUE (800-810-2583)**.
- 3 Call Member Services at the number on your health plan ID card.

Guest membership for extended stays
