Submission of the requested information is mandatory. The information requested is collected pursuant to the California Government Code (sections 20000 et seq.) and will be used for administration of the Board's duties under the Retirement Law, the Social Security Act, and the Public Employees' Medical and Hospital Care Act, as the case may be. Portions of this information may be transferred to another governmental agency (such as your employer) but only in strict accordance with current statutes regarding confidentiality. Section 7(b) of the Privacy Act of 1974 (Public Law 93-579) requires that any federal, state, or local governmental agency which requests an individual to disclose his Social Security account number shall inform that individual whether that disclosure is mandatory or voluntary, by which statutory or other authority such number is solicited, and what uses will be made of it. Section 111 of Public Law 101-173 requires group health plans to collect and provide member Social Security numbers for the coordination of federal and state benefits. Furthermore, Health Account Services requires each enrollee's Social Security number for identification purposes and to verify eligibility for benefits. Specifically, the California Public Employees' Retirement System uses Social Security numbers for the following purposes:

- 1. Enrollee identification for eligibility processing and eligibility verification.
- 2. Payroll deduction and state contribution for state employees.
- 3. Billing of contracting agencies for employee and employer contributions.
- 4. Reports to the Public Employees' Retirement System and other state agencies.
- 5. Coordination of benefits among carriers.

BINDING ARBITRATION

Enrollment in certain plans constitutes an agreement to have any issue of medical malpractice decided by neutral arbitration and waiver of any right to a jury or court trial. Refer to the health plan Evidence of Coverage booklet to determine if this provision is applicable to your plan.
